

DOLCE MIA *luxe*

natural. beautiful. luxurious.

eco-friendly with organic ingredients,
olive oil, shea butter & aloe

fantastic SCENTS

bath & beauty with style, your style

Made with healthy, natural ingredients to gently cleanse, moisturize, and protect even the most sensitive skin, Dolce Mia Luxe products are hypo-allergenic, biodegradable, and allow hotels an environmentally friendly alternative for luxurious, in-room bath amenities.

By creating a style that is uniquely theirs, Dolce Mia Luxe produces sophisticated, retro-modern designs that offer a contemporary take on a classic, vintage aesthetic. More importantly, Dolce Mia offers use of their in-house design team, allowing hotels to reap the benefits of stunning design work while incorporating the unique look and feel of their own brand – allowing complete individualism for each property.

Hotel Incentive Program

Included in the Dolce Mia Luxe experience is not just gorgeous design work and a chance to create your own hotel specific amenity line. Dolce Mia has gone the extra mile with an a la carte Hotel Incentive Program that includes a retail-sized Spa Mini Bar, customized bulk purchasing for give-a-ways and corporate gifts, Travel Agent purchasing incentives, gifting events, personalized websites, and cost solutions to help you increase your bottom line.
